	 <p>A screenshot of the Charles Stanley mobile app. The background is dark blue with a geometric pattern of lighter blue triangles. The text 'CHARLES STANLEY' is in white, with a small red triangle to the right of 'STANLEY'. Below it, the text 'Create a secure financial future' is in a lighter blue. A rounded rectangle contains a white information icon (i) and the text: 'The value of investments can fall as well as rise. Investors may get back less than invested. Past performance is not a reliable guide to future returns.' Below this is a large pink button with the text 'Sign in'. At the bottom, the text 'Don't have an account?' is followed by 'Create one on our website' in a bold font.</p>
