	 <p>A screenshot of the Charles Stanley mobile app interface. The background is dark blue with abstract geometric shapes. The text 'CHARLES STANLEY' is prominently displayed in white, with a small red triangle logo. Below it, the tagline 'Create a secure financial future' is shown. A rounded rectangular box contains a disclaimer: 'The value of investments can fall as well as rise. Investors may get back less than invested. Past performance is not a reliable guide to future returns.' Below this is a large pink button labeled 'Sign in'. At the bottom, there is a link: 'Don't have an account? Create one on our website'.</p>
